

How can you listen to the un-repentant again?

For example: Your brother tells you something that is not true, you wait and \$pay for a LIE you entertained, but your brother does not repent of the LIE you had to \$pay for. You forgave without repentance and let-it-go...WHY?

As time goes, your brother
tells you something else
that is not true again, for
his wants and needs, he
wants to get \$paid for the
LIE you believe he tells you
what they say, they are
your idols, they you see,
hear and believe their LIE
repeatedly told to you as
truth but without
judgement.

Has your brother repented
of the LIE he told you?

Has your sister repented
of the LIE she told you?

Has your father or mother
repented of the LIE they
spread ignorantly?

Has the government that
leads you repented of the
LIES to steal your monies?

WHO do you worship
Ignorant-man?

You have missed the MARK;
that is what SIN is. WHY?
"You cannot believe you
believe a lie."

(tempo.....<you cannot believe you believe a lie - ohms kool>....)
(tempo....<the romantic warrior - return to forever>.....)

So let us refresh your
repented mind: Who is the
TRUTH-IN-ALL-THINGS?
What is it that made you
sin? Who is the keeper of
the LIE? Serpent-seed:
me, myself, and I.

Repent you fool, we coming
for Serpent-seed, SIXTY-
MINUTE-MEN out busting
up the bullshit LIES of
SATAN and his seed.
